

2026-2027 Freshman

I'd like to extend a warm welcome to everyone joining the CRHS Cougar Band family for the 2026–2027 school year. We're preparing an exciting production for next year, and we're eager to help you get started early so you'll be confident and ready for the fall. If you're still deciding whether band is right for you, I encourage you to participate in our spring activities and experience what makes our program so special.

Freshman Marching Camp is designed to introduce you to the essential skills you'll need as a member of the Cougar Band. By learning the basics now and practicing over the summer, you'll set yourself up for a strong and successful marching season.

We look forward to an outstanding year ahead—over 250 dedicated members, a brand-new show, new instruments, and an incredible booster organization that supports all we do.

Please remember that Freshman Marching Camp is mandatory for all potential band members. If you have any conflicts or questions, contact me anytime at rayhjones@katyisd.org or by phone at the high school band hall: (281) 237-5046. Communication is essential, and I'm here to help whenever you need it.

All 9th-grade KISD band students are required to have a physical. This is the same physical form used for KISD athletics, which means you may take advantage of the physical screenings offered at any KISD campus. Screenings conducted on a KISD campus will cost \$30, and Cinco Ranch HS—as well as several other campuses—will offer these opportunities. KISD has not yet released the physical screening schedule. Once it becomes available, I will share it with your junior high band directors. You may also choose to have your family doctor complete the physical, but the official KISD physical form must be used. Please note that the physical must be completed no earlier than May 23 and no later than July 20, 2026.

For more information and to see what we are about you can check out our webpage at <https://cincoranchcougarband.com/>

We welcome you to our family.
